Cake Tasting & Consultation Form

The cake consultation is a personalized cake tasting which allows you address all questions and concerns regarding cake design, pricing, payment, delivery and all other details.

At the cake consultation, you will sample your requested flavors for a fee of \$30.00. I also provide you with samples to take home for others to try. The cake tasting fee is complimentary, should you decide on my services and the amount is deducted from your final cake price estimate. Please bring your cake tasting payment in the form of cash or check payable to Sally Kwok.

Please select up to 4 cake flavors and 5 fillings of your choice for your cake tasting. The flavors must be provided no later than 2 weeks prior to your scheduled cake consultation date, to ensure the freshest products at your cake tasting. If the flavors are not received in time, then I will need to reschedule your consultation to a later date and time.

A non-refundable deposit of \$125.00 is required when booking a wedding cake, this reserves my services for your date and time of your wedding cake order. The cake estimate is to be provided shortly after your cake consultation. Along with the deposit, the wedding cake order is confirmed when the Contract of Agreement and final estimate are signed and agreed upon by the bridal couple. Thank you.
